### Important Information

1. All prices are 10% GST inclusive and are subject to change without notice. Standard terms and conditions apply, to view them go to [www.sctelco.com.au](http://www.sctelco.com.au)
2. Excess usage beyond your included value amount will be charged at 15c per Mb. Additional charges apply for international roaming, calls and SMS. Both upload and downloaded data is counted towards total monthly usage. Service delivered via the Optus 3G network, subject to network availability. Customers can expect speeds between 512kbps and 1.5Mbps with Broadband speeds not available in GSM only coverage areas. Actual speeds will vary and may be slower. Customers can expect different speeds obtained at different times, depending on congestion, location, local conditions, hardware, software, and general internet traffic.
3. As you have decided to use your own Mobile Broadband data device (BYO) to access the service, the operation of the device, and any repairs to it, is your responsibility. SCTelco may not be able to provide you technical support for that particular modem and reserves the right to refer you to the modem manufacturer for technical assistance at your own expense.
4. Standard delivery for monthly bills will be via email. If you choose to receive a paper bill a monthly charge of \$2.20 will apply.
5. A loyalty bonus applies if you have an active fixed line or mobile phone services on the same account with SCTelco.
6. No fixed term, cancellation or downgrade fees. Upon leaving no refund (full or prorated) on the plan fee will be provided.
