### Important Information

1. All rates and charges are inclusive of 10% GST and subject to change without notice. Call connection fee of 15c applies to all calls. This plan is available for SCT mobile services on the Optus GSM/2G/3G network. Calls charges are quoted 30 seconds and billed in 1 second increments.
2. A \$5 charge applies to account(s) that total \$20.00 or less on each monthly statement. This charge can be avoided by combining your landline and mobile services with SCT.
3. Off-peak hours are between 7pm and 7am Monday to Friday and all day weekends.
4. This only includes calls to On-Net mobiles. Calls to mobiles using another network will be charged at the normal rate.
